DEDICATED

To

MY BELOVED BROTHER MR. RABINDRA KR SINGH

You were wild, happy and free,
And had almost, nothing to worry.

Suddenly one day, hell broke loose.
And life for you, grew cruel like a noose.

When our father left you at eighteen,
And you had almost nothing to lean.

Then like a rock, you stood firm and strong,
Left your dreams, lived for us alone.

Life taught you harder, books taught you less.
Your beloved guitar, became forever speechless.

Life was tough, but you laughed away your pain.
And taught us to be tough, however hard sorrow rains.

Today when I think, of that agonizing time,
The pain that you bore, sends shivers down my spine.

Brother like you deserves a million salutes,
Today I am what I am, just because of you.

After getting **elbow room**[16] our army can adopt **tit for tat**[17] policy and can fight **tooth and nail**[18] at the border. Our **adversary**[19] was **unused**[20] to such **retaliation**[21]. They will **eat humble pie**[22] if they **cast the first stone**. On the other hand China is now **moving heaven and earth**[23] for Arunachal Pradesh and certain other regions. It is building **castle in the air**[24] and is **daydreaming**[25] about getting complete control over Galvan Valley, Arunachal Pradesh and other border areas Pakistan **burnt its finger**[26] when our strong government gave a **befitting**[27] reply to the **pied piper**[28] of Pakistan and made it realise that if it **sows the wind, it will have to reap the whirlwind**[29]. Pakistan however now **hems and haws around**[30] and avoids **taking the bull by the horns**[31]. China's **will o' the wisp**[32] of getting control of border towns of India seems a **farce**[33]. In the matter of Kashmir, the UN decided **to sit on the fence**[34]. United Nation's Secretary General **reiterated**[35] that the dispute of Kashmir must be solved through bilateral talks. The U.N's stand **threw cold water**[36] upon Pakistan's hope and the UN's refusal to **give ear**[37] to Pakistan's request for intervention has put Pakistan in a **tight corner**[38]. Our soldiers, are **on guard**[39] and are also **gung ho**[40] about settling the dispute of Kashmir **once and for all**[41] but our **seasoned**[42] CDS was a **Past master** [43] of tact and knew that war always makes a country **pay through its nose**[44] Besides this, it may **turn out to be**[45] **a Pandora's box**[46] for India. India needs **to weigh the pros and cons**[47] of a **full-blown**[48] war. Meanwhile our **befuddled**[49] and **muddleheaded**[50] neighbours are **crying for the moon**[51] China's **Chest-thumping**[52] and now Nepal's new map claiming Kalapani territory to be theirs have put our present government between **the devil and the deep blue sea**[53]

2. Nipped in the Bud

Learning Vocabularies is fun, when innovatively done!

A few months ago, I saw the **corpus**[1] of a tiny infant lying in a garbage bin. The **grotesque**[2] sight **made my heart bleed**[3]. That **gruesome**[4] **glimpse**[5] of an **appalling**[6] practice of killing a baby girl **sent shivers down my spine**[7] and **day in, day out**[8] it **haunted**[9] me.

In India, the birth of a son brings a **windfall**[10] for the family while the family makes a **wry face**[11] if a girl child is born. A female child is not accepted **with open arms**[12] by the parents and often many female **foetuses**[13] and infants **give up the ghost**[14] as **foeticide**[15] and **infanticide**[16] are **rampant**[17] **under the nose**[18]. Now and then, many **gynaecologists**[19] and **quacks**[20] come **under a cloud**[21] for running sex determination centres but nothing **concrete**[22] can be achieved if the society doesn't turn **over a new leaf**[23].

The whole society will have to **throw a spanner**[24] in this **seamy side of life**[25]. All of us will have to **take up arms**[26] against this evil practice and will have to be **up and doing**[27] in the matter of bringing the **culprits**[28] **to book**[29]. This indeed will be a **yeoman's service**[30]. Besides this, the **good Samaritans**[31] must be **argus eyed**[32] because through **back stairs influence**[33] many ultrasound centres have **mushroomed**[34] in towns and cities and **by the rule of thumb**[35], I can say that they are running nothing but pre-natal sex determination centres. The government will have to carry matters **with high hand**[36] and **clip the wings**[37] of these **malefactors**[38] and then only it will **come home to**[39] them that now the **enlightened**[40] society of India will not **take this lying down**[41]. However it is an **open secret**[42] that many families have **cloven hoof**[43]. Getting rid of female foetus is their ulterior motive and generation after generation we have proved that we are only the **chip of the old block**[44]. Even the mother to be **caves in**[45] before her in-laws' demands while at such time when she needs to **bandy words**[46] with them. I am quite amazed when even a **blue stocking**[47] **blow hot and cold**[48] while talking about a girl child. They **go the whole hog**[49] to explain how a male child is **indispensable**[50] to run **the pedigree**[51] and we have **hobson's choice**[52] in this matter. My God! Are we the last **descendants**[53] of any species of dinosaur that we need to run our **lineage**[54] ? I wonder ! but still I do agree **in a way**[55] that this practice will **sooner or later**[56] be **done away with**[57] **neck and crop**[58].

3. Moot Point

Politics is not my cup of tea but why not try my hand at it.

In India corruption is **brewing**[1] **unbridled**[2] in the **echelons**[3] of power. Some ministers **feather their nests**[4] **by the virtue of**[5] their power as usually many business houses **grease their palm**[6] **to curry favour with**[7] them Somewhere a son-in-law gets huge pieces of land **for a song**[8] and somewhere a **demagogue**[9] lands for a rally straight from the **gaol**[10] to make a **harangue**[11] about how his opponents have **ever and anon**[12] tried to make his career **chequered**[13]. These so called **revered**[14] and **pulssant**[15] leaders of India **fight shy of**[16] the reality that they are **damp squib**[17] as far as leadership is concerned but **eke out**[18] their income by adopting **sharp practices**[19]. They **cock a snook**[20] at the laws of the land though not publicly.

These politicians work **in cahoots**[21] with one another and their activities and dealings are never **above board**[22]. They even **go the whole hog**[23] to **cook the books**[24] of the government departments and these **bare-faced liars**[25] hire **veterans**[26] of the legal field who **bend the truth**[27] in the court and then these **scoundrels**[28] **go scot free**[29]. Sometimes the ministers **buy a lemon**[30] with the government fund at an **exorbitant**[31] price and thus are **hand in glove**[32] with many **bad eggs**[33] in the **daylight robbery**[34]. They **pull wool over the eyes**[35] of the public with their **pack of lies**[36]. We need to understand that these politicians are **snakes in the grass**[37] and the common people of India are **down and out**[38] because of these people who have **feet of clay**[39].

I do believe that these politicians will **lose ground**[40] if the public do not **lose their head**[41] on the **d-day**[42]. In an **impoverished**[47] country where many find it difficult **to live from hand to mouth**[48], the poor are all **in a flutter**[49] when wine which is an **elixir**[50] for them is served to them just a night before the festival of democracy. As a result, they sell their integrity and the future of their country for **pittance**[51]. **A man of straw**[52] can lead his country from **palmy days**[53] to its **last legs**[54] His irresponsible decisions **put a spoke in the wheel**[55] of development. India should vote for development and not for caste, creed and religion. This will **throw cold water**[56] on the politics of those who **set people by ears**[57] and **steal the march**[58] at the time of election by using caste, creed and religion as **red herring**[59].

Arvind Kejriwal got unprecedented mandate in 2015 Delhi Legislative Assembly Election and in 2020 too I couldn't keep my hands off his political career.

Election fever had been at its peak in many states but AAP's rise **in a trice**[1] inspite of many **Trojan horses**[2] causing **teething troubles**[3] to the party made Delhi Assembly election a **hot potato**[4]. Delhi, that saw congress **rule the roost**[5] thrice sent it packing **lock, stock and barrel**[6] in 2015 This election was a **two-horse race**[7], between AAP and BJP. BJP's performance proved to be a **damp squib**[8] and Congress **met its waterloo**[9]. Both will have to **cool their heels**[10] for a long time. The **brown sturdy**[11] of Congress, an age-old party, **turned into a nightmare**[12] in 2012 when Anna Hazare **blazed the trail**[13] that saw **unprecedent**[14] **big draw**[15]. **By and by**[16] the movement **gained momentum**[17], Anna **banking on**[18] his faithful **camaraderie**[19] **set the Thames on fire**[20]. He **stole his rivals' thunder**[21] because he is **aboveboard**[22] and **speaks straight from the shoulders** [23]. His fast unto death **ruffled quite a few feathers**[24] among the **echelons**[25] of power but the **rot set in**[26] the movement when later Arvind Kejriwal's fast didn't **steal a march on**[27] his **predecessor**[28] Anna Hazare. His fast proved **ploughing the sands**[29]. The Congress party **played fast and loose**[30] and **turned a deaf ear**[31] to his demands. The **meritocrats**[32] of the movement **put their heads together**[33] and soon **rose to the occasion** [34] and formed a political party AAP This **off-hand**[35] decision of the **green horns**[36] **rubbed Anna the wrong way**[37] He **put his foot down**[38] but none of his **zealots**[39] except Kiran Bedi and a few was ready to invest time and energy in a **Quixotic**[40] project. The movement finally **petered out**[41] and a new party **saw the light of the day**[42]

The **debutant**[43] Arvind Kejriwal in his speeches portrayed India as a **banana republic**[44] and the public especially the youths **went bananas**[45]. He insisted that it is **barking up the wrong tree**[46] if we try to clean the dirt of politics without entering it. He said that the Congress Party **had a ball**[47] and now will have to **take a back seat**[48]. Soon a **whole new ball game**[49] started when General Assembly Election was announced. Kejriwal emerged as a **dark horse**[50] with 28 seats for the AAP **in his kitty**[51]. The BJP leaders who were waiting for the result **with bated breath**[52] without an **iota**[53] of doubt that it's their turn now was **in for a shock**[54] and the result was a **bolt from the blue**[55] for them. The Congress of course had to **bite the dust**[56] as it **got the boot from the public**[57] and could bag just a few seats. **The blood, sweat and tears**[58] of the volunteers of AAP **bore fruits**[59]. Kejriwal was their **blue-eyed boy**[60] but he was **a new kid on the block**[61]. Overnight he became **a big cheese**[62] when he became the CM with the support of the Congress. Though he **remained betwixt and**

between[63] for sometime but ultimately he **bit the bullet**[64], when on the ground of Jan Lokpal he **fell on his sword**[65] and the rein of Delhi went into the hands of the Central Government. He **beat a hasty retreat**[66] from Delhi and went to contest Lok Sabha election from Varanasi. Overnight a man who became the CM in his first attempt turned into **a laughingstock**[67]. He was perceived as a **queer fish**[68] who was considered habitual of **picking holes**[69] in every person. He who **rubbed the blue blood**[70] of the Congress party **the wrong way**[71] was now trying to **put a spoke in the wheel**[72] of the **winning spree**[73] of the **past master**[74] of tact, Mr Narendra Modi, **the leading light**[75] of the BJP. Kejriwal **threw down the gauntlet**[76] by filing his nomination from Varanasi. When the result came he had to **eat humble pie**[77] The whole **hullabaloo**[78] proved to be **a damp squib**[79]. The media that were **all eyes**[80] during the Lok Sabha election **wrote him off**[81] and many of his **bosom friends**[82] deserted him **hook, line and sinker**[83]. Kejriwal was **ridiculed**[84] on all social media but the **iron willed**[85] man **rose to the occasion**[86] and his **steady**[87] efforts **caught eyes of**[88] the common public by and by. His **fast and furious**[89] campaigns and **down to earth**[90] attitude **was a far cry**[91] from what it was earlier when he accused and blamed **every Tom, Dick and Harry**[92]. The result of the Delhi Assembly election **sealed the fate**[93] of all oppositions and the man who **got the flak**[94] a few months ago was **received with open arms**[95]. Certainly this common man's CM is **here to stay**[96] and **change the gear**[97] of governance. Hope the Delhi government **goes great guns**[98] in other states too but of course the high expectations of the people will keep the CM **under the gun**[99]. Kejriwal, **once bitten twice shy**[100] has **picked up the pieces**[101] However he knows, it will not be that **plain sailing**[102].

6. Sweat of the Brow

'Children of lesser god' too need equal attention.

Child labourers and their exploiters are **ubiquitous**[1] not only **pan India**[2] but also across the world. From **paedophilic**[3] to **sadist**[4], the exploiters can be of any type and the problem is **aggravating**[5] day by day. Usually in our country **Fabian policy**[6] is adopted to deal with those whose actions **fly in the face of**[7] the various laws and Acts of the country. In fact whether it is a tea stall or a construction site, almost every place **speaks volumes**[8] about this **heinous**[9] and **abominable**[10] crime as child labour can be seen all around us. The exploiters **snap their fingers**[11] at the law saying it is better to work than to die from starvation.

The child labourers **toil and moil**[12] but are not paid adequately as many of them are **at a loose end**[13] and are ready to do **any back breaking**[14] work just to **keep the wolves away from the door**[15]. Almost all Acts made against child labour prove **futile**[16] **at close quarters**[17] as children who are **dead broke**[18] and **down and out**[19] cannot hire **great hand**[20] to fight their cases **to the finish**[21]. The **fool's errand**[22] cannot make a **square meals**[23] available to them. Even when certain **small fry**[24] and **green horns**[25] come to their rescue, the offenders try to **grease their palm**[26] and many times these **good samaritans**[27] **give a wide berth**[28] to all such **big fish**[29] out of fear or greed. Sometimes even the police **spill the beans**[30] before the raid and even **take up the cudgels**[31] for child labour terming it a **necessary evil**[32].

The concerned authorities too **pass the buck**[33] and well known faces just **play the gallery**[34] by raising such issues only on public platform. We, the enlightened and educated class, do not **turn a hair**[35] when we see child labourers around us. The **elite**[36] and influential classes too that can really do something concrete very easily, **wash their hands of**[37] all such evils that are **rampant**[38] and **deep rooted**[39] in our society. In my opinion, it is obvious that the **rank and file**[40] usually **run short of**[41] necessities of life but this in no way must be **a shot in the arm**[42] of child labour in India. Of course abolition of child labour from a developing country is an **uphill task**[43] but its presence is **a clear writing on the wall**[44] that **steering clear of**[45] it will invite serious human right violation.

7. Anglophobia

Now don't tell me, you aren't Anglophobic

English, an alien language for almost half of the Indians, is a cause of **dread**[1], **panic**[2] and **trepidation**[3] for many. Anglophobia, a well-known problem in India make many lead a **recluse**[4] life style and such people become **xenophobic**[5] and **introvert**[6]. Since their education is in Hindi medium or their regional language, they are **cacographist**[7] when they write and are **circumlocutory**[8] as well as **inaudible**[9] when they speak. They fumble for words when they try to present their ideas in a **succinct**[10] manner and hence they gradually grow diffident. While writing answers and speaking, they are usually **verbatim**[11] and **verbose**[12]. The **facsimile**[13] of the exact passage hardly fetches pass marks for them and this in turn makes the **bibliophilic**[14] students **taciturn**[15] and **aloof**[16]. This **posse**[17] of Anglophobic **pupils**[18] turn **pedantic**[19] when it comes to expressing their views in their mother tongue. They become **loquacious**[20] and **infallible**[21] and their articles become **terse**[22] Many such students try to mask their **achilles' heels**[23] and instead of **taking a leaf out of**[24] **the scholars'**[25] book, they **throw a spanner**[26] in the syllabus of the different commissions conducting exams

across India. The same happened when life was **thrown out of gear**[27] due to the **agitations staged**[28] by the Civil Services candidates of the Hindi belt. The Government had to **throw up the sponge**[29] when the agitation gradually **gained momentum**[30] and **took the government by storm**[31]. Usually **when the crunch comes**[32], it seems, politics wins and this language of mass communication loses the battle. Anglophobia, in my opinion, is **gnosiophobia**[33] because all scientific discoveries and inventions made by the **occidentals**[34] are passed on to the **orientals**[35] in the native language of the West i.e. English. We **misconstrue**[36] them as **bohemian**[37] and **swashbuckler**[38] but we fail to **appreciate**[39] that they are **versatile**[40], **diligent**[41] and **indefatigable**[42]. English is here to stay. Our **deftness**[43] in adapting ourselves to the changing world will decide which way we go, towards our **regression**[44] or **progression**[45].

8. Gift of the Gab

You can twist the world around your little finger if you have the gift of the gab. What wonders an **orator**[1] can do has been time and again proved by Party leaders in various elections. The seasoned leaders are **articulate**[2], **deft**[3] and their **extemporaneous**[4] speeches leave the audience **mesmerised**[5] and **spell-bound**[6]. **Impromptu**[7] speeches are never **harangue**[8] and usually **bring the house down**[9]. Many political parties have **eloquent**[10] leaders who are though **wet behind the ears**[11] **beggar description**[12] when it comes to **articulacy**[13]. A **silver-tongued**[14] person can **break the ice**[15] easily and is always **in the good books of**[16] his **acquaintances**[17]. He never **develops cold feet**[18] when it comes to public speaking. While the **demophobic**[19] people **cut no ice**[20] with the crowd, a **glib**[21] and **nonchalant**[22] speaker with his **unambiguous**[23] speech never **falls short of**[24] impressing the listener. Teaching too is more of an art that needs a lot of eloquence besides knowing **the ins and outs**[25] of one's subject. A teacher must be **a live wire**[26] and must **hold** the class **to his leash**[27]. **Loaves and fishes**[28] must not be his prime concern and he must prove himself to be a **man of parts**[29] if he wants to be **revered**[30] by his students. An **old hand**[31] knows how to **elicit**[32] responses whether it is from a class or a crowd but I am pained when I see the political parties **painting the town red**[33] in the name of rallies where the **boisterous**[34] politicians boast of from the **rostrum**[35] while the common man **pay through his nose**[36] for such **reverie**[37] in the form of tax. The leaders **play to the gallery**[38] and **pull the wool over the eyes of**[39] the common people in the name of caste, religion and region. The Supreme Court once **put its foot down**[40] and put an end to taxpayer-funded full-blown **narcissism**[41] of politicians by banning the government from issuing media advertisements containing photos of ministers and political leaders but the drama still continues **unabated**[42]

9. Fables & Parables

After lullaby, the best thing that happened in my life.

Legends[1] and Anecdotes[2] make us nostalgic[3] and they take us down the memory lane to our childhood. Our grandparents were raconteurs[4] and had the gift of the gab[5] Their lucid[6] way of explaining the minute[7] and ingrained[8] details of the stories, they narrated, made this relation close to our heart[9]. Every night, I waited, with bated breath[10], for the folktales[11] and yarn[12] of my grandmother who was loquacious[13] and stood in great stead[14] whenever anyone needed her. She kicked the bucket[15] when she was as fit as fiddle[16]. This bolt from the blue[17] took me and my siblings[18] by storm[19] Now I do understand the weal and woe[20] of life and know that we have to throw up the sponge[21] willy-nilly[22] to the events destined[23] in our life. As far as I am concerned, I am a green horn[24] in comparison to my grandmother who was a great hand[25] at story telling For me story telling is a herculean task[26] and my son hauls me over the coals[27] if I fail to bring the house down[28] by my performance. I am a damp squib[29] at story telling but still a die hard[30] fan of fables and parables. Candidly[31] I would say that all my efforts end in a

fiasco[32] and at the end he pulls a long face[33] and I find myself ploughing the sands[34]. He picks holes[35] in all my stories and I end up with my foot in the mouth[36].
Children love tall stories[37] too though with a pinch of salt[38]. Though the stories of fairies and legendary[39] characters appear will O' the wisp[40] but undoubtedly these stories arouse the power of imaginations and help children build Ivory tower[41] and stay in a flutter[42] all day long.
